

Jevin Sidhu 

I'm studying computer science at Wilfrid Laurier and working on becoming a better software developer. I've made a couple of interesting projects.

RESUME

[PDF](#)

FRUED

A therapist that will call you every day, ask a series of questions, and evaluate your overall feeling on that particular day.

[VIEW PROJECT](#)

HANDS ON

Hands on prevents drowsy drivers from getting behind the wheel

[VIEW PROJECT](#)

UNBEATN PATH

A collection of stories from dropouts. Built this site when I was 15 and got featured on PH.

[VIEW PROJECT](#)

STEWIE

A personal assistant to help plan and reflect on your goals for the day.

[VIEW PROJECT](#)

I'm currently looking for a summer '19 internship.
